

Improving Communications with Residents

The Amberson office is in the process of creating a website in order to provide news updates to residents.

We are also collecting **current** email addresses from residents in order to provide important and timely news alerts to keep everyone informed.

With that in mind we would appreciate your cooperation by filling out the information below and returning it to the office or sticking it in the mailroom slot. Thanks for your help!

PLEASE PRINT ALL INFORMATION

Resident/Owner Name: _____

Email Address: _____

Cell Phone # _____ Home Phone# _____

Apt/Unit Number: _____
